LANARKSHIRE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT) FOR YEAR ENDED 31 MARCH 2023

The Management Committee present their report (incorporating the Strategic Report) and the audited financial statements for the year ended 31 March 2023.

Legal Status

Lanarkshire Housing Association is a registered non-profit making organisation under the Cooperative and Community Benefits Societies Act 2014 No 1941R(S). The Association is a registered Scottish charity, SC042523.

The Association is registered with Scottish Housing Regulator as Social Landlord No: 202 and under Property Factors (Scotland) Act 2011 as No: PF000275.

The Association is registered with the Financial Conduct Authority as a Co-operative and Community Benefits Society, The Office of the Scottish Charities Regulator (OSCR) as a charity and the Scottish Housing Regulator as a Registered Social Landlord.

Principal Activity

The principal activities of the Association are to provide:

- Housing for social rent;
- Management and maintenance services to tenants; and
- Community initiatives and support wider role activities.

Corporate & Governance

The approved restructuring of the Corporate Services Department was completed during 2022/23 with the appointment of the Corporate Services Director and the successful recruitment of the Finance Manager. This departmental structure will provide greater stability and increase the customer focus for both internal and external service users.

The AGM was held in June 2022 at the Moorings Hotel in Motherwell and the meeting was held in person which was in accordance with the Association's Rules. The brief meeting was quorate and a health and wellbeing risk assessment was completed prior to the meeting taking place.

The Management Committee approved the resumption of in-person meetings for all Committees in the Association's offices from September 2022. This has proved to be a most welcome development with the level of debate and scrutiny being provided by Committee being enhanced. In-person meetings have also allowed newer members of the committee to integrate more fully with their more experienced Committee colleagues.

The Management Committee has complied with all its statutory and regulatory requirements throughout the year, and it approved its Annual Assurance Statement at its meeting in October 2022. This Statement was submitted to the Scottish Housing Regulator and has been made available to all tenants and stakeholders. The Committee has an approved Assurance Improvement Plan, which details the areas of the Regulatory Framework can be upgraded from simple compliance to achieving best practice. The Committee receive regular reports on the Improvement Plan.

Other principal highlights of the year include:

- The retention of the Association's Investors in People accreditation at the Silver level;
- Revised and updated medium and long term financial forecasting which reflects the requirements of the Life Cycle Costing Model. The Life Cycle Costing Model had been reviewed to take into account the increases in tender price inflation which had been experienced throughout the past year;
- The commencement of the defined contributions pension scheme which will reduce the Association's exposure to fluctuating employer contributions whilst retaining an attractive and competitive employee benefit;

LANARKSHIRE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT) FOR YEAR ENDED 31 MARCH 2023

Corporate & Governance (continued)

- Rents being increased by 2.0% for 2022/23, another below inflation rent increase; and
- Continued to deliver investment in the quality of the housing provided.

Management Committee Members Induction and Training

Most members of the Management Committee are already familiar with the practical work of the Association. Where new members are elected, information is supplied regarding the obligation of Management Committee members, details of the Association's main documents and up to date financial statements. In addition, a formal training and induction programme is provided for any new member of the Management Committee.

The Management Committee and Executive Officers

The Management Committee and executive officers of the Association are listed on the first page of the financial statements.

Each member of the Management Committee holds one fully paid share of £1 in the Association. The executive officers of the Association hold no interest in the Association's share capital and although not having the legal status of directors they act as executives within the authority delegated by the Committee.

Statement of the Management Committee's Responsibilities

The Management Committee is responsible for preparing the annual report and financial statements in accordance with applicable law and regulations.

The Co-operative and Community Benefit Societies Act 2014 and registered social housing legislation require the Management Committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association and of the income and expenditure of the Association for that period. In preparing these financial statements, the Management Committee is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019 as issued by the Scottish Housing Regulator. It has general responsibility for taking reasonable steps to safeguard the assets of the Association and to prevent and detect fraud and other irregularities.

Related Party Transactions

The Association's subsidiary company, Lanarkshire Initiatives Limited is now dormant and there were no transactions with the company during the year.

One member of the Management Committee is a tenant. Their tenancy is based on the Association's standard tenancy agreement, and they are unable to use their position to gain any advantage. The Association has a policy on Conflicts of Interest which all Management Committee members comply with. Transaction with the Management Committee are shown in Note 28.

Strategic Objectives

The Association has adopted the following strategic objectives:

- To meet or exceed the requirements of the Scottish Social Housing Charter (the Charter) and deliver fair, accessible, and responsive customer services;
- To ensure all of our homes meet or exceed the Scottish Housing Quality Standard (SHQS) and the Energy Efficiency Standard for Social Housing (EESSH);
- To improve our consultation opportunities to tenants on key measures to regularly maintain and improve the standard and quality of their homes;
- To improve the energy efficiency of our business operations and reduce associated carbon emissions;
- To examine prospects for organic growth of the business through affordable development and acquisition opportunities; and
- Achieve our Corporate and Social Responsibilities (CSRs) through excellence in governance and financial management, linked to ethical codes of practice.

To achieve these objectives, we work closely with our strategic partners at a national, local authority and community level ensuring that our decision making, and direction of the business demonstrate consistency and added value to underpin the advancement of social housing principles and community development.

Future Prospects

The key objectives for 2023/24 have been considered and agreed by the Management Committee following the resumption of all services after the remaining covid prevention restrictions were finally removed. The objectives for the year are summarised as follows:

- Conclusion of the new Strategic Plan which will clearly state the aims, objectives, and aspirations for the business for the medium term. An integral component to the strategic direction will be the development of initiatives to meet the Net Carbon Zero by 2030 commitment;
- Approval of a comprehensive Asset Management Strategy;
- Completion of annual planned maintenance programme including which will include the delayed window replacement contract for 111 units, estimated to cost £1m;
- Implementation of software which will increase effectiveness and efficiency of service delivery;
- To fully implement risk management software to assist in the management and reporting of risk throughout all strategic and operational activities. This system will also help promote transparency and accountability in the risk management process;
- To continue to support community engagement initiatives and work with partners to promote social inclusion and cohesion;
- To continue to deliver high quality and effective management and maintenance services that meet the needs and expectations of our tenants; and
- Full compliance with all regulatory and statutory duties.

Property Services

The operational objectives of Property Services are to:

- Achieve the *Scottish Social Housing Charter's* standards and outcomes;
- Meet our repairs and maintenance responsibilities and obligations, particularly compliance with the *Scottish Secure Tenancy Agreement*, and other key legislation; and
- Carry out responsive repairs, together with cyclical and planned programmes of work, keeping our housing stock in good condition, in demand and performing well.

Following the relaxation of restrictions resulting from the Coronavirus outbreak, delivery in the last year was challenged by procurement against the backdrop of considerable market volatility including fuel, energy and materials price rises, and labour shortages.

LANARKSHIRE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT) FOR YEAR ENDED 31 MARCH 2023

Property Services (continued)

Despite these constraints, we were able to maintain repairs service performance comparable with previous years. We also continued full compliance with the statutory duty to timeously complete annual gas safety checks.

The cyclical maintenance programme was dominated by the second year of a major paintwork contract, carried out on 391 rented and factored properties across 11 areas.

Requirements for smoke, heat and CO alarms, and for 5 yearly electrical checks from 2022 were met in the previous year, and we continued to comply with the new standards.

The planned maintenance programme of work in occupied housing was affected by a difficult tendering environment. Despite this a negotiated contract for heating and kitchen replacements in 63 properties across 3 areas was extended so that work was completed in 91 properties during the year.

We were successful in obtaining an offer of £454,040 grant from the Scottish Ministers and Social Housing Net Zero Fund Programme towards the cost of a "fabric first" project to improve energy efficiency in 111 properties across 6 areas. Work is due to start in spring 2023, following a postponement because of manufacturing delays.

Historically we have plans in place confirming that our housing and neighbourhoods are well maintained and remain so. These are supported by independently produced 5 yearly stock condition surveys and updates to our life cycle costing exercise. The latest, in late 2021, concluded that all our stock continued to meet the Scottish Housing Quality Standard, the Scottish Government's main measure of housing quality, and the Energy Efficiency Standard for Social Housing, which aims to improve the energy efficiency of social housing. The life cycle costing part of the exercise was re-run in late 2022, to address the UK's elevated inflation rate.

Housing Services

With the removal of the final COVID-19 restrictions in March 2022, our offices opened to the public and a full housing management service was able to resume for our tenants. Following 2 years of restrictions, the Housing Services Team had several key priorities for 2022/23: -

- Reconnect with our tenants (particularly vulnerable tenants and those who we had not been in recent contact with);
- Support our tenants who were struggling with the Cost-of-Living Crisis and increasing fuel costs;
- Review the affordability of LHA's rents and offer targeted support where it was required;
- Improve our tenant engagement activities to ensure our customers were at the heart of our services and their voices were heard;
- Ensure improvement in key performance indicators including rent arrears recovery and relet times; and
- Invest in our team to ensure they have the tools to deliver excellent services to our tenants

In terms of support for tenants, we were successful in our bid to the Scottish Federation of Housing Association (SFHA) Social Housing Fuel Support Fund. We received £68,750 to deliver activities to support tenants affected by the soaring costs of energy over the winter. Activities included the delivery of 'winter support packs' consisting of energy efficient cooking appliances, thermal duvets and other energy efficiency measures. We were also able to offer fuel top-up vouchers for tenants with expensive pre-payment meters. This was supplemented by an additional £15,000 from the National Lottery Community Anchor Fund to offer supermarket vouchers to tenants in need of assistance.

Our successful partnership with Citizens Advice Scotland, other local landlords and the Advice For Tenants and Residents (AFTAR) project continued. In addition to helping maximise the incomes of the tenants, it assisted in ensuring our rent arrears were well managed. Total gross rent arrears decreased to £132,666 from £150,229 the previous year.

**REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT)
FOR YEAR ENDED 31 MARCH 2023**
Housing Services (continued)

We also launched our new Allocations Policy which introduced specific quotas to assist us in meeting our requirements in supporting homeless households, whilst ensuring opportunities remain for existing tenants looking to transfer. Our average relet times reduced from 24 days in 21/22 to 12.56 days in 2022/23. Void rent loss slightly increased from £17,020 to £18,252.

In addition to the above, there were a number of other achievements during the year:

- We carried out a 'Tenant Census' which allowed us to better understand our tenant demographic as well as their priorities regarding improvements to their homes and services offered by LHA. This exercise also allowed us to gather required information in relation to equalities and will be essential as we design our service moving forward;
- We established an independent Tenant Scrutiny Group supported by the Tenant Information Service. This, alongside our Tenant Focus Group has allowed more meaningful tenant engagement; and
- A review of the affordability of our rents was carried out in October 2022 using the SFHA Affordability Tool. This identified that 93% of our rents were deemed to be affordable (<25% of 'modest incomes'). This exercise was invaluable in allowing us to target support to households that need it the most and we will continue this into 23/24.

Key Performance Indicators (taken from the ARC)
Rents

ARC Indicator	31 March 2023	31 March 2022
Average Weekly Rent Uplift	2.0%	0.0%
As % of total rent due:

On how rent level is value for money	88.5%	88.5%	-

LANARKSHIRE HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT) FOR YEAR ENDED 31 MARCH 2023

Financial Performance

For the financial year 31 March 2023, the Association has recorded total comprehensive income of £719,992 (2022: £1,753,291) and its net assets position has increased to £23,193,087 (2022: £22,473,099).

A rent increase of 2.0% in 2022/23 has meant that rental income has increased to £4,219,226 (2022: £4,128,391). In addition to this the Association purchased the owner occupier share of a shared ownership property, bringing the property into full ownership of the Association.

Operating expenditure increased to £3,841,561 in 2022/23 from £3,373,114 the previous year. This was attributable to there being an increase in the expenditure in non-capitalised planned maintenance during the year along with increased legal costs relating to the ongoing Watling Street litigation.

Total comprehensive income for the year was increased by the strong investment performance from the Strathclyde Pension Fund, which returned an actuarial gain of £3,046,000, however this was capped to £372,000 with a £nil pension asset position recognised in the Statement of Financial Position.

The Association invested a total of £621,580 in the housing stock. The acquisition of an owner occupier's share of one shared ownership property cost £14,000, whilst £56,717 was spent on medical adaptations for tenants. Major repairs and component renewals expenditure amounted to £550,863, with kitchens and heating systems being replaced during the year.

Statement on Internal Financial Control

The Management Committee acknowledge their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to:

- The reliability of financial information used within the Association or for publication;
- The maintenance of proper accounting records; and
- The safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement or loss. Key elements include ensuring that:

- (a) Formal policies and procedures are in place, including the documentation of key systems and rules relating to the delegation of authorities, which allow the monitoring of controls and restrict the unauthorised use of the Association's assets;
- (b) Experienced and suitably qualified staff take responsibility for important business functions. Annual appraisal procedures have been established to maintain standards of performance;
- (c) Forecasts and budgets are prepared which allow the Management Committee and management to monitor the key business risks and financial objectives, and progress towards financial plans set out for the year and the medium term. Regular management accounts are prepared promptly, providing relevant, reliable, and up to date financial and other information. Any significant variance from budget is investigated as appropriate;
- (d) All significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the relevant sub-committees which are comprised of Management Committee members;

Statement on Internal Financial Control (continued)

- (e) The Association has appointed a firm of accountants, on a consultancy basis, as its internal auditor with the specific responsibility of assessing the adequacy and reliability of the system of internal financial control. The results of such reviews are reported to the Corporate Governance and Finance Sub-Committee;
- (f) The Management Committee reviews reports from the external auditor to provide reasonable assurance that control procedures are in place and are being followed; and
- (g) Formal practices have been established for instituting appropriate action to correct weaknesses identified from the above reports.

The Management Committee have reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2023. No weaknesses were found in internal financial control which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

Auditor

Azets Audit Services have expressed their willingness to continue in office as auditor and will be proposed for reappointment at the Annual General Meeting.

Disclosure of Information to the Auditor

To the knowledge and belief of each of the persons who are members of the Management Committee at the time the report is approved:

- So far as the Committee members are aware, there is no relevant information of which the Association's auditor is unaware; and
- He/she has taken all the steps that he/she ought to have taken as a Committee member in order to make himself/herself aware of any relevant audit information, and to establish that the Association's auditor is aware of the information.

The report of the Management Committee (incorporating the Strategic Report) has been approved by the Management Committee on 20 June 2023.

By order of the Committee

Catriona Blyth
Secretary

LANARKSHIRE HOUSING ASSOCIATION LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LANARKSHIRE HOUSING ASSOCIATION LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

Opinion

We have audited the financial statements of Lanarkshire Housing Association Limited (the 'Association') for the year ended 31 March 2023 which comprise the Statement of Comprehensive Income, the Statement of Changes in Capital and Reserves, the Statement of Financial Position, the Statement of Cash Flows, and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2023 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019 issued by the Scottish Housing Regulator.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Management Committee with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Management Committee is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LANARKSHIRE HOUSING ASSOCIATION
LIMITED ON THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

Other information (continued)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Group accounts: Section 99(3) of the Co-operative and Community Benefit Societies Act 2014

We agree with the opinion of the Management Committee of the Association that it would be of no real value to the members of the Association to consolidate or include the financial statements of the Association's subsidiary in group financial statements required to be prepared under the Co-operative and Community Benefit Societies (Group Accounts) Regulations 1969 for the year ended 31 March 2023, because of the immaterial nature of the subsidiary's transactions in the year, given that it is dormant in both the current year and the prior year.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Association has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we need for our audit.

Responsibilities of the Management Committee

As explained more fully in the Statement of the Management Committee's Responsibilities set out on page 2, the Management Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LANARKSHIRE HOUSING ASSOCIATION LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

The extent to which the audit was considered capable of detecting irregularities including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above and on the FRC's website, to detect material misstatements in respect of irregularities, including fraud.

We obtain and update our understanding of the Association, its activities, its control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the Association is complying with that framework. Based on this understanding, we identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the Association that were contrary to applicable laws and regulations, including fraud.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the Association through discussions with the Management Committee members and the senior management team, and from our knowledge and experience of the RSL sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the Association, including the Co-operative and Community Benefit Societies Act 2014, Part 6 of the Housing (Scotland) Act 2010, the Determination of Accounting Requirements 2019 issued by the Scottish Housing Regulator and taxation, data protection, anti-bribery, employment, environmental and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of the senior management team and the Management Committee and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of the Management Committee and relevant sub-committees;
- enquiring of the senior management team and the Management Committee as to actual and potential litigation and claims;
- reviewing legal and professional fees paid in the year for indication of any actual and potential litigation and claims; and
- reviewing correspondence with HMRC, the Scottish Housing Regulator, OSCR and the Association's legal advisors.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LANARKSHIRE HOUSING ASSOCIATION
LIMITED ON THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

Auditor's responsibilities for the audit of the financial statements (continued)

We assessed the susceptibility of the Association's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of the senior management team and the Management Committee as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Use of our report

This report is made solely to the Association's members, as a body, in accordance with Section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members, as a body, those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members, as a body, for our audit work, for this report, or for the opinions we have formed.

LANARKSHIRE HOUSING ASSOCIATION LIMITED

REPORT BY THE AUDITOR TO THE MANAGEMENT COMMITTEE OF LANARKSHIRE HOUSING ASSOCIATION LIMITED ON INTERNAL FINANCIAL CONTROL FOR THE YEAR ENDED 31 MARCH 2023

In addition to our audit of the Financial Statements, we have reviewed your statement on pages 6 and 7 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial control contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements on corporate governance matters within Bulletin 2009/4 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on pages 6 and 7 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial control and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through our enquiry of certain members of the Management Committee and Officers of the Association and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial control contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial control.

1. General information

The financial statements have been prepared in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice) and comply with the requirements of the Determination of Housing Requirements 2019 as issued by the Scottish Housing Regulator and the Statement of Recommended Practice for Social Housing Providers issued in 2018. The principal accounting policies are set out below.

The preparation of these financial statements in compliance with FRS 102 requires the use of certain accounting estimates. It also requires management to exercise judgement in applying the Association's accounting policies (see note 3).

These financial statements are presented in Pounds Sterling (GBP), as that is the currency in which the Association's transactions are denominated. They comprise the financial statements of the Association drawn up for the year ended 31 March 2023. These financial statements comprise the results of the Association only.

The Association is a Co-operative and Community Benefit Society limited by shares and is incorporated in the United Kingdom.

The Association's Scottish Charity number is SC042523.

The address of the Association's registered office is:

191 Brandon Street
Motherwell
ML1 1RS

The Association is defined as a public benefit entity and thus the Association complies with all disclosure requirements relating to public benefit entities. The Association is a registered social landlord in Scotland and its registered number is HAL 202.

2. Accounting policies

Basis of accounting

The financial statements are prepared on the historical cost basis of accounting subject to the revaluation of certain fixed assets and in accordance with applicable accounting standards. The effect of events relating to the year ended 31 March 2023, which occurred before the date of approval of the financial statements by the Management Committee have been included in the statements to the extent required to show a true and fair view of the state of affairs as at 31 March 2023 and of the results for the year ended on that date.

Consolidation

The Association and its subsidiary undertaking, Lanarkshire Initiatives Limited, comprise a group. The Financial Conduct Authority has granted exemption from preparing group financial statements on the basis the financial results of the subsidiary are immaterial, which they are as the company is dormant. These financial statements therefore represent the results of the Association and not of the group.

Going concern

The Management Committee anticipate that a surplus will be generated in the year to 31 March 2024 and the year to 31 March 2025. The Association has a healthy cash position and thus the Management Committee is satisfied that there are sufficient resources in place to continue operating for the foreseeable future. Thus, the Management Committee continue to adopt the going concern basis of accounting in preparing the annual financial statements.

2. Accounting policies (continued)

Turnover

Turnover represents rental and service charge income, factoring service income, and fees or revenue grants receivable from local authorities and from The Scottish Government. Also included is any income from first tranche shared ownership disposals. Turnover is recognised when the Association is entitled to it, the amount of revenue can be measured reliably and its probable the economic benefits of the transaction will flow to the Association.

Government revenue grants

Government revenue grants are recognised using the accrual model which means the Association recognises the grant in income on a systematic basis over the period in which the Association recognises the related costs for which the grant is intended to compensate.

Non-government capital and revenue grants

Non-government capital and revenue grants are recognised using the performance model. If there are no performance conditions attached the grants are recognised as revenue when the grants are received or receivable.

A grant that imposes specific future performance related conditions on the recipient is recognised as revenue only when the performance related conditions are met.

A grant received before the revenue recognition criteria are satisfied is recognised as a liability.

Government capital grants

Government capital grants, at amounts approved by the Scottish Government or local authorities, are paid directly to the Association as required to meet its liabilities during the development process. This is treated as a deferred capital grant and is released to income in accordance with the accrual model over the useful life of the asset it relates to on completion of the development phase. The accrual model requires the Association to recognise income on a systematic basis over the period in which the Association recognises the related costs for which the grant is intended to compensate.

Apportionment of management expenses

Direct employee, administration and operating costs have been apportioned to the relevant sections of the Statement of Comprehensive Income on the basis of costs of staff directly attributable to the operations dealt with in the financial statements.

Pensions (Note 23)

The Association operates a defined benefit scheme in respect of its employees. The assets of the scheme are held in external funds managed by professional investment managers.

In accordance with FRS 102 section 28, the operating and financing costs of pension and post retirement schemes (determined by a qualified actuary) are recognised separately in the Statement of Comprehensive Income. Service costs are systematically spread over the service lives of the employees and financing costs are recognised in the period in which they arise.

The difference between actual and expected returns on assets during the year, including changes in the actuarial assumptions, is recognised in the Statement of Comprehensive Income.

2. Accounting policies (continued)

Interest receivable

Interest income is recognised in the Statement of Comprehensive Income using the effective interest method.

Interest payable

Finance costs are charged to the Statement of Comprehensive Income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

Fixed assets - Housing properties

Housing properties are stated at cost, less accumulated depreciation. The development cost of housing properties includes:-

1. Cost of acquiring land and buildings.
2. Development expenditure including administration costs.

These costs are either termed "qualifying costs" by the Scottish Government for approved social housing grant or are considered for mortgage loans by private lenders or are met out of the Association's reserves.

All invoices and architects' certificates relating to capital expenditure incurred in the year at gross value are included in the accounts for the year, provided that the dates of issue or valuation are prior to the year-end.

Expenditure on schemes which are subsequently aborted is written off in the year in which it is recognised that the schemes will not be developed to completion.

New components to be capitalised must have a gross book value equal to or greater than £1,000.

Depreciation - Housing properties

Each housing unit has been split between its major component parts. Each major component is depreciated on a straight line basis over its expected economic useful life. The following major components and useful lives have been identified by the Association: -

Land - not depreciated
Structure – over 60 years
Roof – over 60 years
Windows – over 20 years
Kitchen – over 20 years
Central heating – over 20 years
Bathroom – over 20 years

A full year's depreciation is charged in the year of purchase. No charge is made in the year of disposal. A de-minimums capitalisation level of £1,000 is applied.

Other fixed assets

Depreciation is charged on other fixed assets so as to write off the asset cost less any recoverable value over its anticipated useful life.

The following rates have been used: -

Computer equipment	- 20% on cost
Office equipment	- 20% on cost
Furniture and fittings	- 10% on cost
Office premises	- 2% on cost
Motor vehicles	- 25% on cost

A full year's depreciation is charged in the year of purchase. No charge is made in the year of disposal.

2. Accounting policies (continued)

Investment properties

Investment properties are properties held for commercial lettings. These properties are held at their market value and are thus not depreciated. The fair value of each property will be considered at each reporting date and any changes will be recognised in the Statement of Comprehensive Income.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Rental arrears

Rental arrears represent amounts due by tenants for rental of social housing properties at the year end. Rental arrears are reviewed regularly by management and written down to the amount deemed recoverable. Any provision deemed necessary is shown alongside gross rental arrears in Note 17.

Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

Investments

This is monies held on deposits of more than three months with the Association's banks.

Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

Loans

Mortgage loans are advanced by Private Lenders or the Scottish Government under the terms of individual mortgage deeds in respect of each property or housing scheme. Advances are available only in respect of those developments which have been given approval by the Scottish Government.

Financial instruments

The Association only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and related parties.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at the present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received. However if the arrangements of a short-term instrument constitutes a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

2. Accounting policies (continued)

Financial commitments

Rentals paid under operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term.

3. Judgements in applying policies and key sources of estimation uncertainty

In preparing the financial statements, management is required to make estimates and assumptions which affect reported income, expenses, assets, and liabilities. Use of available information and application of judgement are inherent in the formation of estimates, together with past experience and expectations of future events that are believed to be reasonable under the circumstances. Actual results in the future could differ from such estimates.

The members of the Management Committee consider the following to be critical judgements in preparing the financial statements:

- The categorisation of housing properties as property, plant, and equipment in line with the requirements of the SORP;
- The amount disclosed as 'operating surplus' is representative of activities that would normally be regarded as 'operating'; and
- The identification of a cash-generating unit for impairment purposes.

The Management Committee are satisfied that the accounting policies are appropriate and applied consistently. Key sources of estimation have been applied as follows:

Estimate

Valuation of housing properties

The main components of housing properties

Recoverable amount of rental and other trade receivables

The obligations under the Strathclyde pension scheme

Basis of estimation

Housing properties are held at deemed cost which is based on existing use valuations at the date of transition to FRS 102 of 1 April 2014. Additions after this date are held at historical cost. The assumptions used to form the basis of the existing use valuation were reviewed and were considered reasonable and appropriate.

The cost of housing properties is split into separately identifiable components and depreciated over the expected useful life. These components were identified by knowledgeable and experienced staff members.

Rental arrears and other trade receivables are reviewed by appropriately experienced senior management team members on a case by case basis with the balance outstanding together with the payment history of the individual tenant being taken into account.

This has relied on the actuarial assumptions of a qualified actuary which have been reviewed and are considered reasonable and appropriate.

LANARKSHIRE HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

3. Judgements in applying policies and key sources of estimation uncertainty (continued)

Estimate

The valuation of investment properties

Basis of estimation

The investment properties were valued by an appropriately qualified surveyor using market data at the date of valuation.

LANARKSHIRE HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

13. Tangible fixed assets (continued)

The depreciation charge for housing stock in the year was £676,425 (2022: £649,524). The net book value of disposed components was £56,511 (2022: £54,034) and has been included in depreciation of social Housing in note 5 in accordance with the SORP giving a total depreciation of social housing of £732,936 (2022: £703,558).

Additions to housing property include no capitalised interest (2022: £nil) and no capitalised administration costs (2022: £nil). All housing properties are freehold. Properties with a cost of £nil (2022: £35,509) and accumulated depreciation of £nil (2022: £3,977) have been disposed in the year for proceeds of £nil, with a grant to be repaid of £nil (2022: £55,029 with a grant repaid of £24,600).

The housing properties were revalued on an existing use value as at 1 April 2014 (by Jones Lang LaSalle Limited) and this value was used as the deemed cost from that date in accordance with FRS 102. The commercial properties were valued at 14 March 2022 (by Jones Lang LaSalle Limited).

As at 31 March 2023, housing properties used as security for existing loans reported a net book value of £18,968,220 (2022: £19,009,206).

Included within housing properties is land with a carrying value of £5,604,952 (2022: £5,600,846).

14. Housing stock

The number of units of accommodation owned by the Association was as follows: -

	2023	2022
General Needs Housing	841	840
Supported Housing Accommodation	87	87
Shared Ownership Accommodation	40	41
	<u>968</u>	<u>968</u>

15. Commercial units

The number of commercial units owned and rented out by the Association was as follows: -

	2023	2022
Commercial Units	<u>7</u>	<u>7</u>

16. Investments

	2023 £	2022 £
Investment in subsidiary undertaking	<u>2</u>	<u>2</u>

Lanarkshire Housing Association Limited owns 2 ordinary £1 shares in Lanarkshire Initiatives Limited. This represents a 100% shareholding in Lanarkshire Initiatives Limited, a company registered in Scotland, whose principal activity is that of general construction of buildings and civil engineering works, however the company was dormant during the current year.

For the year ended 31 March 2023, Lanarkshire Initiatives Limited made a profit after taxation of £Nil (2022: £Nil). At 31 March 2023, Lanarkshire Initiatives Limited had net assets of £2 (2022: £2).

LANARKSHIRE HOUSING ASSOCIATION LIMITED

LANARKSHIRE HOUSING ASSOCIATION LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

20. Creditors: amounts falling due after more than one year (continued)

	2023 £	2022 £
Bank loans are split:		
Due between one and two years	607,709	596,486
Due between two and five years	1,831,663	1,841,166
Due in five years or more	4,286,964	4,883,665
	<u>6,726,336</u>	<u>7,321,317</u>

The loans together with any bank overdraft from the Bank of Scotland plc, Virgin Money and The Royal Bank of Scotland plc are secured by standard securities over the properties on which the loans were granted.

Loans from the Bank of Scotland are repayable on a monthly basis over 15, 25, 30 or 35 years inclusive of interest at rates equivalent to the Bank of Scotland Home Loan rates in force at each repayment date.

Loans from Virgin Money (formerly trading as Clydesdale bank) are repayable on a quarterly basis over 15 years inclusive of interest. The current terms are on a 10 year fixed rate arrangement at 2.6% thereafter moving to another fixed or variable rate option in August 2029.

The loans from The Royal Bank of Scotland plc are repayable on a monthly basis over 30 years inclusive of interest. The rate of interest charged is either fixed at 2.775% or variable between 0.45% and 1.5% above bank base rate per annum.

21. Deferred capital grants

LANARKSHIRE HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

22. Share capital and reserves	2023	2022
	£	£
At start of year	97	94
Issued in year	1	5
Redeemed in year	(5)	(2)
At end of year	93	97

Each member of the Association holds one share of £1 in the Association. These shares carry no rights to dividend or distributions on a winding up. When a shareholder ceases to be a member, that person's share is cancelled, and the amount paid thereon becomes the property of the Association. Each member has a right to vote at members' meetings. Called up share capital on the Statement of Financial Position has been adjusted to reflect the number of shares held by active members.

The revenue reserve includes all current and prior year retained surpluses or deficits.

23. Pensions

Lanarkshire Housing Association Limited participates in the Strathclyde Pension Fund which is a statutory multi-employer defined benefit scheme. It is administered by Glasgow City Council in accordance with the Local Government Pension Scheme (Scotland) Regulations 1998, as amended.

From 1 April 2015, the Scheme changed from a final salary 1/60th accrual scheme to a CARE 1/45th accrual scheme. The defined benefit scheme closed to new members on 1 April 2019 but remains open to existing members. During the year, the Association paid employer contributions at a gross rate of 28.7% less 2.53% for ill health liability. From 1 April 2023, the Association will continue to pay contributions at the aforementioned gross rate, less 3.13% for ill health liability, plus service deficit payments of £37,000 per year.

An updated accounting valuation of the Strathclyde Pension Fund was performed as at 31 March 2023.

The main financial assumptions used by the Council's Actuary, Hymans Robertson, (these are assumptions specific to the Association which were derived with assistance from Spence and Partners) in their calculations are as follows:

Assumptions as at	31 March 2023	31 March 2022
Pension increases	2.95%	3.20%
Salary increases	3.65%	2.50%
Discount rate	4.75%	2.70%

The average future life expectancies at age 65 are summarised below:

Mortality	2023 Males	2023 Females
Current pensioners	19.3 years	22.2 years
Future pensioners	20.5 years	24.2 years
	2022 Males	2022 Females
Current pensioners	19.6 years	22.4 years
Future pensioners	21.0 years	24.5 years

LANARKSHIRE HOUSING ASSOCIATION LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

23. Pensions (continued)

The sensitivities regarding the principal assumptions used to measure the scheme liabilities are set out below:

Sensitivity Analysis	Approximate % increase to Employer Liability	Approximate Monetary amount (£000)
0.1% decrease in Real Discount Rate	2%	147
0.1% increase in the Salary Increase Rate	0%	27
0.1% increase in the Pension Increase Rate	2%	122
1 year increase in member life expectancy	4%	292

The table below compares the present value of the scheme liabilities, based on the Actuary assumptions with the estimates employer assets.

Net Pension Liability as at	31 March 2023 £000	<i>31 March 2022 £000</i>
Estimated Employer Assets (A)	7,290	<i>10,092</i>
Present Value of Scheme Liabilities	7,290	<i>10,346</i>
Present Value of Unfunded Liabilities	-	-
Total Value of Liabilities (B)	7,290	<i>10,346</i>
Net Pension Liability (A) – (B)	-	<i>(254)</i>
Analysis of the amount charged to operating profit:		
	Year to 31 March 2023 £'000	<i>Year to 31 March 2022 £'000</i>
Service cost	335	<i>375</i>
Contributions	(225)	<i>(239)</i>
Past service cost	-	-
Curtailment and Settlements	-	-
Decrease in irrecoverable surplus	-	-
Total operating charge	110	<i>136</i>
Net Interest cost	8	<i>26</i>

Analysis of the amount recognised in the Statement of Other Comprehensive Income:

	Year to 31 March 2023 £ 000	<i>Year to 31 March 2022 £ 000</i>
Actuarial gain recognised as other comprehensive income	372	<i>1,114</i>

LANARKSHIRE HOUSING ASSOCIATION LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

23. Pensions (continued)

	Year to 31 March 2023 £ 000	Year to 31 March 2022 £ 000
Deficit in scheme at beginning of year	(254)	(1,206)
Current service cost	(335)	(375)
Employer contributions	225	239
Other income	-	-
Other outgoings (e.g., expenses, etc.)	-	-
Past service costs	-	-
Impact of settlements and curtailments	-	-
Net interest cost	(8)	(26)
Actuarial gain	372	1,114
Surplus/(Deficit) at end of year	-	(254)

An asset ceiling has been applied which restricts the actuarial gain to £372k and restricts the pension surplus to £nil.

24. Establishment of Association

The Association is established under the Co-operative and Community Benefit Societies Act 2014 and was incorporated in the United Kingdom and is registered in Scotland.

25. Commitments – capital and repairs

As at 31 March 2023, the Association had commitments in respect of capital and repairs work of:

	2023 £	2022 £
Commitment	67,248	643,131
Approved but not contracted for	1,079,240	500,000
To be funded by:		
Scottish Government Grant	454,040	-
The Association's reserves	692,448	1,143,131

LANARKSHIRE HOUSING ASSOCIATION LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

26. Commitments under operating leases

As at 31 March 2023 the Association had total commitments under non-cancellable operating leases as set out below: -

	2023 £	2022 £
Operating leases which expire:		
Within one year	33,117	30,753
Between one and two years	17,896	21,468
In two to five years	7,765	8,029
	<u>58,778</u>	<u>60,250</u>

27. Net cash flow generated from operating activities

	2023 £	2022 £
Surplus for the year	347,992	639,291
<u>Adjustments for non cash items:</u>		
Depreciation of tangible fixed assets		
(including loss on disposal of components)	763,077	733,843
(Increase)/decrease in stocks	230	(980)
Decrease in debtors	96,499	5,015
Increase in creditors	112,149	4,465
Loss /(gain) from sale of tangible fixed assets	-	1,103
Release of deferred Government Capital Grant	(19,197)	(16,361)
Non cash movement relating to pension liability	118,000	162,000
Decrease in valuation of investment properties	-	15,000
Shares cancelled	(5)	(2)
<u>Adjustments for investing and financing activities:</u>		
Interest received	(8,581)	(390)
Interest payable	237,248	162,529
	<u>1,647,412</u>	<u>1,705,513</u>
Net cash generated from operating activities		

28. Related parties

The Association has Management Committee members who are also tenants. The total rent received in the year relating to tenant Management Committee members is £3,707 (2022: £3,636). The total rent arrears relating to tenant Management Committee members included within debtors at the year-end is £nil (2022: £nil). The total rent paid in advance of the year-end was £11 (2022: £11).

29. Watling Street

A number of residents at the Watling Street, Motherwell development, raised court proceedings against the Association and four other co-defendants. The basis of their claim is that the Association has breached tenancy agreements in that the homes are not fit for habitation. It is claimed that there is a presence of toxic compounds in the indoor air due to inadequate remediation of the site prior to development. It was decided that one of the residents claims would pursue through the court system as a test case whilst the remaining residents' cases would be sisted until the outcome of the test case was determined.

The Management Committee has noted the extensive site investigations conducted by North Lanarkshire Council in previous years over such claims of contaminated land at Watling Street, which concluded that the open space and garden soils were safe. During the course of 2015/16, one of the defendants, North Lanarkshire Council was released from the action by the pursuers and North Lanarkshire Council has no further plans to revisit the conclusions from the site investigation reports.

A Procedural Roll hearing in front of Lord Jones at the Outer House of the Court of Session took place in March 2015. Lord Jones issued his Opinion in December 2015, where he found that the case against Lanarkshire Housing Association Limited should be dismissed along with another defendant in the case, City Link Development Company Ltd. The case against the final defendant in the case, Scott Wilson Scotland Ltd, was allowed to proceed to a Proof before Answer hearing by Lord Jones.

The pursuers appealed the decision of Lord Jones to dismiss Lanarkshire Housing Association Limited from the action to the Inner House of the Court of Session. This appeal was dismissed by the Inner House of the Court of Session in February 2017 and leave to appeal to the Supreme Court was also denied by the Inner House. The pursuers submitted an application to appeal directly to the Supreme Court and this application was refused by the Supreme Court in January 2019.

In the financial year 2020/21, the Association was awarded £289,000 of costs against the pursuers of which £92,381 is outstanding at this year-end and is included within other debtors (2022: £213,000).

In relation to the outstanding cases which had previously been sisted, the pursuers enrolled a Motion to the Court of Session seeking to amend their pleadings in light of the findings of the test case. Lanarkshire Housing Association Limited opposed this Motion, which was heard by Lord Clark in May 2019, who subsequently ruled in the Association's favour and found that the outstanding cases should be dismissed. Lord Clark's ruling was appealed by the pursuers and the Inner House of the Court of Session heard this Reclaiming Motion in April 2020, which found in the pursuer favour. This Court ruling allows the pursuers to lodge their Minute of Amendment however, the Association's position remains unchanged and senior counsel has been instructed to lodge defences against the action. These outstanding cases are continuing to be heard at the Court of Session and a Proof Before Answer Hearing has been scheduled for February 2024. The verdict from this Hearing is anticipated with financial year 2024/25. The Association has commissioned independent expert witnesses and the legal advice remains that the case should be defended. The Association has incurred exceptional legal costs of £157,853 (2022 £114,700) in respect of these outstanding cases as noted in note 5.
